79260 Gillot's Watercolor Medium

Since many centuries the manufacturers of watercolors have been trying to improve the quality. For the processing of pigments as a watercolor it is very easy to get an excellent result with Carol's watercolor medium.

Carol Gillot is a professional watercolor artist. She developed this medium to paint outdoors. Most pigments can be mixed directly with this medium and a painting brush.

Ingredients: Gum Arabic with honey and glycerin as a softener for a better durability.
